See Section E. REASONS SUPPORTING OBJECTIONS BELOW

E. REASONS SUPPORTING OBJECTION(S):

1. The Amended Director's Report has reduced both the quantity and place of use of Claimant's right based upon an incorrect claim and recommendation of lands claimed to be owned by Jon and Nancy Cummins outside of Claimant's rights. Jon and Nancy Cummins only own rights for less than the 41.7 recommended acres. The current ownership of the rights remains unclear and until said ownership is finally determined and the appurtenant water rights are finally resolved, the recommendation is in error.

2. These water rights never were appurtenant to Acres now owned by Jon and Nancy Cummins; Transfer #4101 limited the use to Claimant Arrowhead Water District (ten homes) of which said Cummins lands were NOT included. Therefore, the Cummins' claims to use this right should not be allowed.
