RE: SRBA Subcase Nos. 22-13673 & 22-13674 (Jacobsen Family Trust)

Dear Rob:

I am enclosing SF5s for the above-referenced subcases. Please review the documents, and if they are acceptable, please sign on the indicated signature lines and initial the recommendations. Please return the original SF5s to me after signature, and I will obtain the remaining signatures. If it would be more efficient for you to send the SF5 for water right no. 22-13673 to Brian and Julie Boyle, please feel free to do so. I recall that there were some difficulties contacting them, so if you have good contact information, that would be helpful.

If you should have any questions or comments, please don't hesitate to contact me at 287-4815.

Sincerely,

A handwritten signature in cursive script that reads "Ray Williams".

Ray Williams
Paralegal

	)	WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.
