Dear : Mr. Knoblock

As per our telephone conversation today, I have enclosed the completed notice of claim to a water right which was completed online, also on today's date. I have been informed that the \$25.00 filing fee has been waived, based on the prior claim 95-723. Further, you have advised me not to tender the fee as you would be required to send a refund back to me.

If my understanding is incorrect please let me know.

Thank you very much for your assistance.

Sincerely,

John H. Loeffler
