Subject: Coeur d'Alene-Spokane River Basin Adjudication (C-SRBA) Claim No. 95-4108

Dear Herbert and Beverly Smetheram:

We have received the change of ownership you filed for water right no. 95-4108. You noted on the change of ownership form that a fee was not necessary because of the pending adjudication. This is true only after a claim has been filed in the adjudication. In search of our records; we can not locate an adjudication claim on file for right no. 95-4108. Therefore, I have attached a C-SRBA claim form for right no. 95-4108 that you may print, sign and return to my attention.

If you would rather not have to print and return the signed claim form, you can submit the claim online by creating a user account and completing the form at this web address:

<https://www.idwr.idaho.gov/onlineclaimstaking/login.aspx>

If you chose to submit the claim online, please click either the Pay in Person or Pay by Mail button on the Finalize and Submit page of the online claim filing process. Do not click the Pay Online button. After clicking the Pay in Person or Pay by Mail button, please notify me by a reply to this email that you have completed and submitted your claim. As long as the elements of the water right are claimed as they were decreed, there is no filing fee for the claim. Changing the names on the water right from Edwin and Grace Smetheram to your names is not considered a change to any of the elements of the water right.

Sincerely,

Carter Fritschle
