Yah, these are partially decreed, so you don't have to do anything with them. The files are at the state records center in Boise. I replied to you last October on this.

Hi Jen,

Last October I sent you an email inquiring into two claims that were mentioned in Robert L. Hild's files that we do not have the file for. These are the numbers. Could you please check and let me know the status? Are these some we need to process in Soda?

Thanks.

In 1936, I Obed Wogerman lived with my mother, Elizabeth Welchman Wogerman and my uncle, William Welchman on the land described as, Township 7 South, Range 46 East of the Boise, Idaho Meridian, Section 20, NE1/4NE1/4.

On the land was a small house, barn and corrals. We had a herd of milk cows and other livestock for our subsistence. Our source of water for the livestock was from a small stream that ran between the house and the barn/corrals. The water originated and still does from a surface spring west of the improvements and sinks into the ground to the east. My uncle, William Welshman built the house and improvements in this location because of the surface water (small stream) that had been there for many years.

Yours truly,
