Subject: Claimant Name

The claims initially filed for these rights inadvertently had the name as Circle Pie when in fact the registered name of the entity was Circle Pi. Subsequent objections and motions for amended claims and late claim have the name Circle Pi. Consequently, I authorized and changed the name records for these claims today. The Court will be notified of these changes for the yet as not-decreed rights when amended director's reports or late claim report are filed in the next six months. NCAPs in the interim serve no practical purpose.
