Re: United Water Idaho Inc. SRBA Recommendations

Dear Special Master Booth:

Pursuant to the discussion at the hearing on Friday, September 11, 2009, concerning the August 28, 2009, correspondence from IDWR enclosing revised recommendations for the United Water Idaho ground water rights, following is a list of the water right recommendations that have changes that are not acceptable to United Water:

63-2500, 63-2874, 63-2892, 63-2915, 63-3239, 63-4395, 63-7067, 63-8385, 63-10150, 63-10386, 63-10405, 63-1053, 63-19456, 63-31797, 63-31798 and 63-31879

The balance of the 83 recommendations included in IDWR's correspondence are acceptable and ready for partial decrees. I understand the rights identified above will be placed on the docket sheet under a "notice of intent to issue decrees" (or similar) heading and called up for hearing on October 27, 2009. Please call if you have any questions.

Sincerely,

John M. Marshall
