SNAKE RIVER BASIN ADJUDICATION DIVISION

In RE: SRBA

Subcase: 22-13955

Case No. 39576

AFFIDAVIT OF GARY SUMMERS

STATE OF IDAHO

ss.

County of Madison

Gary Summers, having been duly sworn, states under oath as follows:

1. I am a resident of Madison County, Idaho and reside at 27 North 3000 East, Sugar City, ID 83448.

2. I was present and worked with my father, Roy Summers, when my father's corporation (along with my uncles' corporations) all purchased the lands known as the Harris place, which came with the following water rights: 22-2258 and 22-2183 appurtenant to the Harris lands.

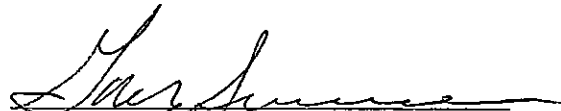

3. From even before the day the Harris place was purchased in 1978, the two water rights described above were and had been pumped from two wells, located approximately 80 feet from each other and were and had been interconnected in a manner which combined the water pumped by both rights & wells and diverted onto the entire Harris lands purchased. In approximately 1995, my cousins (each a son of the original purchasers) as the new principals of the corporations which purchased the Harris place, then split the Harris lands into three

parcels. Summerco, Inc. and Frank Summers, Inc. each ended up with a parcel containing approximately 160 acres. See attached deed

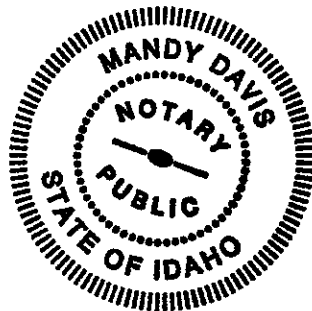

4. It was always intended to have the split of water between Summerco, Inc. and Frank Summers, Inc. to be as even as possible because historically the water rights of 22-2258 and 22-2183 were used evenly on both 160 acre parcels.

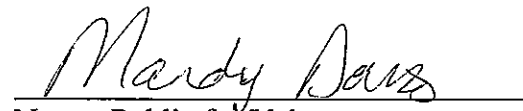

5. However, due in part to our failure to understand the enlargement statutes of the State of Idaho, when the rights were claims and divided, Frank Summers, Inc. claimed the 22-2183 which provided 2.0 cfs and the Summerco, Inc. claimed the 22-2258 which after another split with another cousin's corporation, ended up providing 3.1 cfs.

Respectfully submitted, this 6th day of October, 2009.

Gary Summers

SUBSCRIBED AND SWORN to before me this 6th day of October, 2009.
