Dear Shaun,

Thank you for your recent letter inquiring for further information on our well.

Enclosed you will find a marked up copy of the photomap you requested showing where our house and well is located. Also included are a copy of our homeowner's policy and a topographical map of where our property is located, and the notice of claim to water rights.

We looked over the well driller's reports you sent us and neither of them is for our well. So, we contacted the couple we purchased the home from (Neil and Susan Bradbury) and they told us the following:

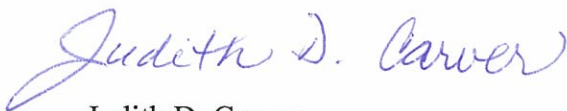

- The well was put in the year of 1983 before the house was built
- The house was built in 1983
- The drilling company was Brand X Wells, contractor's name Arnold Weldon

If you need to contact the Bradbury's here is Susan's phone numbers:

- Susan Bradbury – (208) 762-8141 or (208) 660-5136

I am sure they can answer any further questions you might have about the well. Susan advised me that she may even still have a copy of the well driller's report.

Sincerely,

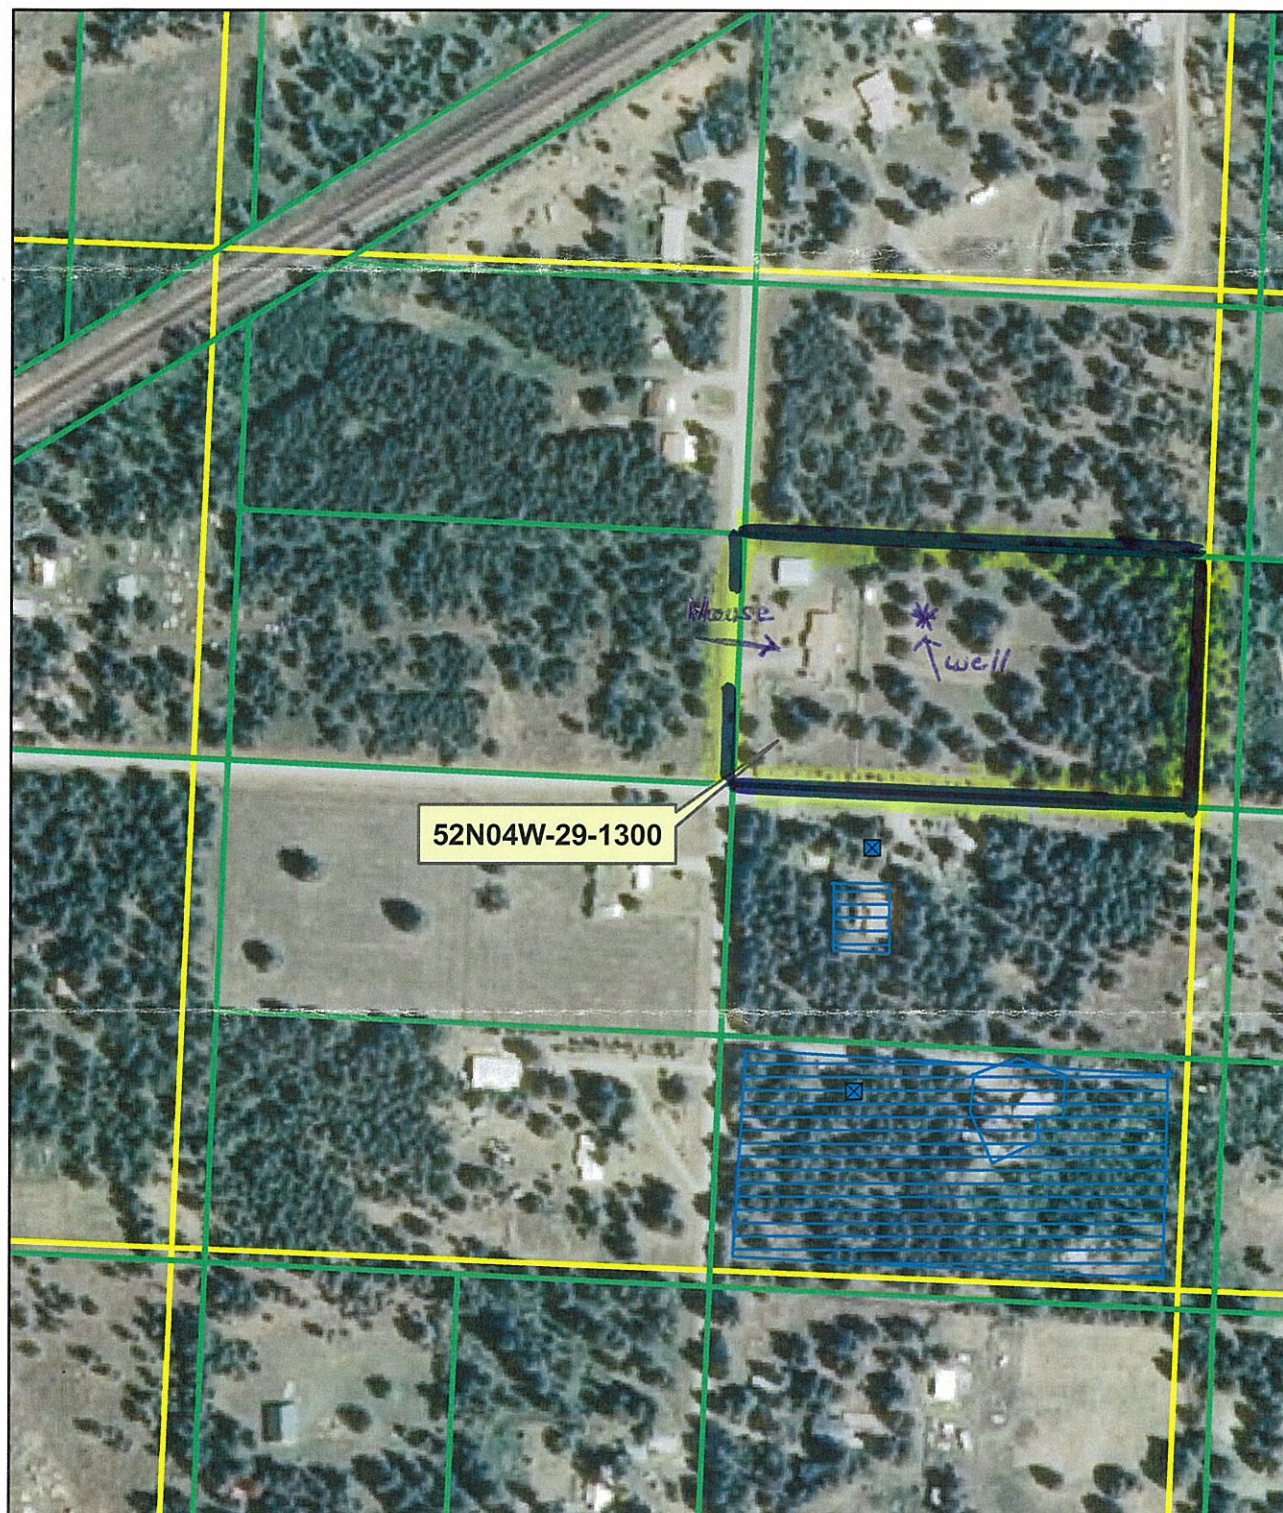

Judith D. Carver
