Re: Amended Claims to Water Right Nos. 37-1156, 37-22116 and 37-22117

Dear Mr. Christensen:

Enclosed please find the above referenced amended claims to water rights that I hereby submit on behalf of my client Lava Lake Land & Livestock, LLC. As we have previously discussed, these amended claims are submitted as part of a package of amendments and late claims (which shall be submitted to the SRBA District Court within one week) that reflect the actual historical use of water rights on Lava Lake's ranch. It is my understanding that no fees are necessary for the above-referenced amendments as the quantities of water remain as originally claimed by my client.

Please process these claims as we have discussed in our conversations with Chuck Brockway, Jr. and IDWR legal counsel. Should you have any questions or concerns, please feel free to contact me with the same. Thank you.

Sincerely,

Charles L. Honsinger
