EXHIBIT A

On August 31, 2009, IDWR circulated proposed Amended Director's Report recommendations for the Dean Ranch Subdivision water rights. Those revised recommendations are acceptable to the Goicoecheas. Since that time, Mr. Turco's motion to file a late objection to his own water right was granted by the Court. Presumably, Mr. Turco will be attempting to increase his own water right recommendations, which would potentially reduce the water right recommendations of other Dean Ranch claimants. The Goicoecheas are entitled to the full amount of their water right as represented in IDWR's revised recommendations. Therefore, to the extent Mr. Turco successfully obtains additional water, such water should not come at the expense of the Goicoecheas' water right.
