RE: Partial Decree for water right 36-2603D

Dear Diana:

Water right 36-2603D was recommended in the Director's Report for Irrigation Uses in Reporting Area 3 (IDWR Basin 36) filed with the SRBA court on November 2, 1992. The recommendation was unobected to and a partial decree was issued on January 15, 1998. A Motion for Leave to File Late Objection was filed in 1999 but was withdrawn shortly thereafter and the right remained as partially decreed in 1998.

In the processing of a change of ownership, it was discovered the right 36-2603D was decreed with an incorrect POU. Water right 36-2603D is a split from water right 36-2603B, which was claimed in the SRBA on March 13, 1990. Prior to the filing of the Director's Report for Basin 36, the assigned water agent spilt the B portion of the right into C and D portions to account for the separate sources claimed for the 36-2603B right. Unfortunately an error occurred in the process and the D portion was recommended to the court with a place of use in section 19 instead of section 29 where the actual place of use is. In the investigation of that error, it was discovered the point of diversion was also incorrectly recommended. The point of diversion for water right 37-2603D should be in the SENENW of Section 29 as claimed, not the NENENW as recommended and decreed. The watermaster agrees that the decreed locations of the point of diversion and place of use are in error and correction of these elements will bring the right into conformance with overlapping right 36-200, which was correctly decreed in 1998.

A copy of the claim of right 37-2603B is attached for the Court's convenience, as well as a copy of the partial decree of right 37-2603D. Would it be possible for the court to correct these errors as clerical mistakes under I.R.C.P. 60(a)?

Should the Court require further assistance in this matter, please don't hesitate to call me at 208-287-4816.

Sincerely,

A handwritten signature in blue ink that reads "Vicki Kelly". The signature is fluid and cursive, with the first name "Vicki" and last name "Kelly" clearly distinguishable.
