Dear Claimant(s):

We have received and processed a Change of Ownership for a portion of the original Claims to a Water Right Numbers as referenced above. This change of ownership resulted in a split of the original claims.

When a portion of the original water right has been conveyed to another and the original right has been split, then the original right number is renumbered to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new water right numbers reflect your remaining portion of the original rights after the change of ownership. Enclosed is a copy of these new water rights for your records. Please refer to your new numbers when corresponding with our office. Also enclosed is a copy of the Notice of Completed Administrative Proceedings, which has been sent to the SRBA Court as notification of this change.

If you have any questions concerning this ownership change, or the enclosed copies, please feel free to contact this office.

RE: Notice of Change of Water Right Ownership Claim No. 63-32077

Dear Property Owners:

This office has reviewed the Notice of Change of Water Right Ownership you have submitted (copy enclosed), however, we are unable to complete this ownership change at this time. The Warranty deed submitted indicates the transfer of property located in NE $\frac{1}{4}$ NW $\frac{1}{4}$, the SE $\frac{1}{4}$ NW $\frac{1}{4}$ and the SW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 14, Township 2 North, Range 3 West. The above referenced water right is for property that includes the area located in the NW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 14, Township 2 North, Range 3 West. It appears that the information submitted does not pertain to the entire water right referenced above. With out an additional legal description covering this portion of the water right a split of the water right will be made in order to change the portion you own to your name. If, after further research, you find more information showing that the land in question is owned by Barron development. Please return the requested information to the Department of Water Resources, Western Region Office, 2735 Airport Way, Boise, ID 83705. If we do not hear from you within 30 days, the claim upon which this form was filed (if one exists), will remain in the original owner's name.

Thank you for your patience and cooperation, as we have had several ownership changes to process. Please feel free to contact this office if you have any questions concerning this letter.

Sincerely,
