MOTION TO FILE A LATE NOTICE OF CLAIM

A *Motion to File a Late Notice of Claim* will require a hearing before the Presiding Judge.

- ☐ I did not file a Notice of Claim to the use of the water in the SRBA because:
- ☐ I filed a Notice of Claim and elected to defer judicial proceedings on my domestic or stock watering use. I desire to reinstate my Notice of claim for domestic or stock watering use.
- ☐ I am providing legal and factual documentation for my claimed use of water. You must described these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)

I have attached:

- ☐ A fully completed Notice of Claim (available from IDWR).
- ☐ A claim filing fee for a domestic and stock watering use. IDWR may charge this fee pursuant to I.C. § 42-1414. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$_____.
- ☐ A claim filing fee and a late claim fee for those claims other than a domestic or stock watering use for which a notice of claim was not filed. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$_____.

Follow these instructions regarding the hearing on this motion.

1. Contact the Clerk of the SRBA Court (208-736-3011) to request a hearing date and time.
2. Fill in the following information:

This motion will be heard on: Tuesday, _____, 2010 at 1:30 p.m.

at the SRBA courthouse, 253 Third Avenue North, Twin Falls, Idaho.

MOTION TO FILE AN AMENDED NOTICE OF CLAIM

A *Motion to File and Amended Notice of Claim* may require a hearing before the Presiding Judge or Special Master or may be granted by leave of the court or by written consent of the parties and the Idaho Department of Water Resources. Leave to amend a claim shall be freely given when justice so requires.

- ☒ I must amend my Notice of Claim to the use of the water in the SRBA because:
Only recently, during and following a hearing wherein the Special Master overturned the Director's Recommendation denying my claim based upon license# 35-2019, did I discover that it was also necessary to claim additional points of diversion which were not originally contained within said license but were in fact historically used through an accomplished transfer from the single point of diversion as described in the attached Notice of Claim. This amended claim is necessary in order to complete the present Director's Amended Recommendation as to all the lands under said original license.
- ☐ I am providing legal and factual documentation to support my amended Notice of Claim. You must describe these documents and attach a readable copy.
-

I have attached:

- ☒ An Amended Notice of Claim (available from IDWR).
- ☐ Payment of the following additional fees required by IDWR:
- ☒ Fees have been paid when the claims were originally filed.
