Priority date description: The former owner of the subject property, Eugene Palmer, had the well described earlier in this application dug beginning August 11, 1989 and finished on the claimed priority date shown above. I purchased the property from Mr. Palmer in March, 1991, and my wife and I moved into the house on or about May 1, 1991, having rented the place to Mr. Palmer in the interim. The owner's permit number used by Mr. Palmer was 9589N60.

wife and I lived on the property continuously until about 3 months ago when we moved some of our goods to a new house I built about 350 feet away on a separate parcel. We have tried to sell the property but have not thus far succeeded. We continue to care for the house and rest of the property, using the well noted above for plant and lawn watering, driveway cleaning, and the like. We also use the toilets inside the house and continue to keep some of our goods there.
