Priority date description: This is the year we built the house and first used the well.

Description of use: Water Use

Description

DOMESTIC

We use this well as our only water source. But the piece of property adjacent to us, on the south side, in which the well is located, also has rights to use the well. However, they use water from Panhandle Water District. We have seven horses and two lambs that use the water. I also use stand alone sprinklers with hoses to water the pastures in the hot summer months. We water our lawn and garden areas as well.
