Re: Subcase Nos. 73-108, 73-2053, 73-7025

Dear Sir or Madam,

During a recent review of our water rights, it came to our attention that a discrepancy exists between *Standard Form 5* documents signed for the above-captioned water rights and the partial decrees issued for those rights. Specifically, the name on each of the *Standard Form 5* documents is "Circle Pi, LLC", while the name on each of the partial decrees is "Circle Pie Ranches Partnership".

The name on the original claims was "Circle Pie Ranches Partnership". This was an error, and in 2007 we filed a *Notice of Change in Water Right Ownership* with the Idaho Department of Water Resources (IDWR) to correct the name shown on the water rights. We are informed that IDWR specifically corrected the name during their preparation of the *Standard Form 5* documents for the above-captioned water rights based on the *Change in Water Right Ownership* submitted.

Please correct this clerical error in the partial decrees and issue decrees in the name of "Circle Pi, LLC" as shown on the *Standard Form 5* documents.

Sincerely,

Ben Yates
Managing Member, Circle Pi, LLC
