) ORDER SETTING DEADLINES

On September 30, 2009, *Partial Decrees* were issued for the above-captioned water rights. On October 14, 2009, Walker Plow, LLP filed an objection in subcase 67-02244, which is being treated as a motion to set aside the *Partial Decree*. Walker Plow, LLP asserts that the combined use remarks in 67-02244 are incorrect. A hearing on the matter was held on November 17, 2009. At the hearing, the representative from IDWR stated that the combined use remarks in four other related water rights may also be implicated, and that the Department would like an opportunity to re-report all five of these rights to make sure they are accurately reported.

In accordance with the foregoing, the following are hereby ordered:

- 1) IDWR shall file *Amended Director's Reports* for the above-captioned water right claims no later than **December 31, 2009**.
- 2) Notice of the filing of the *Amended Director's Reports* shall be published on the Court's Docket Sheet in January 2010, and objections to the *Amended Director's Reports* shall be filed by **January 28, 2010**.
