Case No. 39576

STANDARD FORM 5

STIPULATED ELEMENTS OF A
WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.

OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

Surface water from this right shall be used as the primary water source for irrigation within the above-described place of use.

The following language is included pursuant to an agreement resolving objections between parties in the Snake River Basin Adjudication:

Delivery of water under this right shall be in accordance with the provisions of the Coffin Decree, Tom Hughes, et. al. v. Mans H. Coffin, Fourth Judicial District of the State of Idaho in and for the County of Blaine, July 18, 1941.

- i. Pursuant to the Coffin Decree, water has been and is turned into the Base Line By-Pass whenever the flow in the river above the dry beds has diminished to the point where the capacity of the By-Pass is sufficient to carry the entire flow of the river.
- ii. Pursuant to the Coffin Decree, water has been and is turned into the Extension By-Pass Canal whenever the flow in the river above the dry beds, as then delivered through the By-Pass Canal, is insufficient to supply the right with priority of June 15, 1883, known as the Graf right, diverted in the Dry Beds below the By-Pass.
- iii. Water is sometimes delivered through the Extension By-Pass Canal by the watermaster prior to the times set forth above when doing so will maintain delivery of other rights for a longer period of time without causing injury to any water user.

EXPLANATORY MATERIAL: BASIS OF CLAIM - Decreed
