Subject: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-11730

Dear Mr. Hansen:

I have reset the submitted flag for CSRBA Claim No. 95-11730 so you can make changes to your claim online. If you login to your account and click the Modify Claim button on the History page you can correct the legal description of the point of diversion to the SWNW, and change the period of use to 1-1 to 12-31. After you make all of the desired changes, you can resubmit your claim by clicking either the Pay in Person or Pay by Mail buttons. Note: Do not click Pay Online because the \$25.00 filing fee has already been paid.

Or if you prefer, we can send you an amended claim with the requested corrections for your signature. You would then need to return the signed amended claim to Idaho Department of Water Resources.

Please let me know which option you would like to use.
