Good morning,

We received the enclosed letter regarding our request to transfer ownership of water rights on a property we recently purchased. I have enclosed a check for \$150 to cover the cost of transferring ownership on the above listed six water rights. If you need anything else, please let me know. I can be reached during the day at (208)756-5167 or evenings at (208) 756-3474.

Thanks,
