IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA

Case No. 39576

)
) ORDER OF PARTIAL DECREES ON
) UNCONTESTED FEDERAL
) STOCKWATER CLAIMS
)
) FOR WATER RIGHT CLAIMS:
) See Attached Exhibit A
)

The above-captioned water rights were claimed both based on state-law and an implied federal reserved water right pursuant to Public Water Reserve 107 and/or Public Water Reserve 47. The claims were included in the *Basin 73, Reporting Area 23, Director's Report for Irrigation and Other Uses* filed January 23, 2007. No objections were filed to the claims. The United States elected to have the claims decreed based on federal law.

A hearing was held on February 16, 2010, as required by I.C. § 1411A(14), for the purpose of allowing the United States to demonstrate a *prima facie* case regarding the existence of the above-captioned water rights established under federal law. No party appeared in opposition. The United States filed an affidavit in support of its claims. The Court has reviewed the affidavit and heard the arguments of counsel in open court and finds that the United States had met its burden of establishing the existence and elements of an implied federal reserved water right for the above-captioned water right claims.

THEREFORE, IT IS ORDERED that water rights included in the attached

Exhibit A are hereby decreed as set forth in the attached *Partial Decrees Pursuant to I.R.C.P. 54(b)*.

DATED: February 17, 2010.

A handwritten signature in black ink, appearing to read 'Eric J. Wildman', is positioned above a horizontal line.
