Subject: 35-13988: Late Claim - Refund Needed

Hello,

Motion to File late notice of claim 35-13988 was received on 11-27-09. The motion indicates that they paid \$200 in filing fees.

Actual fees should be:

\$ 50 Claim fee
\$ 50 Late fee
\$ 40 (\$1 per acre @ 40 acres)
Total = \$140

If the motion is granted and the claimant actually did pay the \$200 as indicated on the motion, IDWR will need to refund the claimant **\$60**.

This e-mail is for the legal files for reference at the time of the hearing. A copy will be kept with the motion as well.

Thanks,
Craig .
