RE: Amendment of Snake River Basin Adjudication (SRBA) claim 85-15717

Dear Ms. Shrader,

Per our phone conversation on January 19, 2010, I am enclosing an amended claim. I do want to point out that I did modify the place of use description. I have enclosed a map with the claim for your review which is a representation of what is written on the claim form. Please review and verify that the yellow and blue line encompass your property. The yellow line alone, outlines what I interpret as the place of use for your domestic and stockwater use.

If there is an error in the map or you have questions, please give me a call so we can work through it and amend the claim to accurately describe your water use.

Note that I have changed the claimed diversion rate to 0.02 cfs (9 gallons per minute).

Please look over the claim and initial any changes you wish to make. When satisfied, sign the claim and return it to my attention with the \$25 filing fee.

Please feel free to contact me at (208) 287-4916, if you have any questions.

Sincerely,
