Subject: Late Claim 78-218

Lynette,

I have attached a draft Snake River Basin Adjudication claim for water right 78-218. As drafted, the filing fee is \$101.00. The fee is calculated as follows:

\$50.00 flat fee + \$1.00 per acre (always rounded up to the whole acre) + \$50.00 late fee because the claim was not filed prior to the reporting of SRBA claims in Basin 78.

Also attached is the SRBA Court's Standard Form 4 which must be completed and sent to the Court with your claim and filing fee.

The following links to the SRBA Court's and IDWR's web sites might be helpful.

Let me know if you have any questions.
