RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-9619

Dear Mr. and Mrs. Josund:

I have reviewed the documents that you submitted regarding your water use in the Kelso Lake area. These documents indicate that water right license 96-7353/95-9619 that was issued in the name of Lee Davis contained the wrong legal description for the point of diversion and place of use.

This does not happen frequently, and fortunately the error can be corrected by filing a Notice of Claim for that water right in the CSRBA. I have prepared a draft amended claim that describes the uses listed on the Davis license for the property you own on the north side of Kelso Lake.

Please review the draft amended claim. If you would like to claim all of the uses listed on the draft claim, please sign the claim and return it in the postage paid envelope. You may make changes to the draft claim by lining through an item and/or writing additional information on the claim. However, you will need to initial those changes before signing and returning the claim.

The filing fee for claim 95-9619 as prepared is \$53.00. The filing fees for claims that include water uses that are in addition to domestic and/or stockwater uses have a flat filing fee of \$50.00, and in this case, a variable fee of \$1.00 for each acre claimed. Since you have already paid \$25.00 for the change of ownership and another \$25.00 for the Notice of Claim you filed in November, 2009 for domestic use, only the \$3.00 variable remains to be paid. Please include a check for \$3.00 made out to Idaho Department of Water Resources when you return the amended claim.

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours (Mountain Time) at (208) 287-4917 or (800) 451-4129, or any time by email at Carter.Fritschle@idwr.idaho.gov.

Sincerely,

Carter Fritschle
Adjudication Section Manager
