Re: Subcase No. 37-11689B /Dean Ranch Subdivision

Dear Mr. Swenke:

Attached you will find the latest revised Amended Director Report (ADR) for the above referenced water right recommendation.

Please review the document and report back to the Idaho Department of Water Resources (IDWR) with any comments, suggestions or concerns on or before March 19, 2010. This water right will be filed with the Court on March 31, 2010, together with several other water right recommendations associated with the Dean Ranch Subdivision. Objections to these water rights, should any exist, are due to the Court by the end of April 29, 2010. Please note that any objections currently on record relating to these water rights will not survive the filing of the respective ADRs.

Should you have any additional questions please do not hesitate to contact me at (208)287-4814.

Sincerely,

Renea Ridgeway
Paralegal
