2. Date of Priority:

Date	Explanation
3/24/1936	This claim was originally owned by my grandparents for their house constructed in 1936. The springs were developed to service the old house located at 1676 W. Valhalla (Parcel 5 and 3 in sections 11 and 12) and then tranfered directly to our property and only our property through a transfer of water rights filed on March 2, 2006 Applications 95-9285 and 95-9286. Evidence exists in pictures taken of the construction of lines and in a chronology diary compiled by my grandmother and several eye witnesses. There have been no other users on the springs since 2006, lines have been only operable to service my home and property. The springs have been cleaned and serviced exclusively by us as the owners of the property and springs. The water is completely depleted by our use in the spring, summer and fall.
