Dear Shaun:

We talked a couple of months ago about the differences you found in our Notice of Claim to a Water Right as compared to the Kootenai County records. This is to let you know that the Kootenai County records are correct-our property's legal description is T54N R02W S34 SW NE.

You asked that we send back the map with the spring marked on it. We have done that to the best of our knowledge and have included it in this letter.

Sorry it took so long for us to get back to you. Please let us know if you need anything further from us. Thank you.

Sincerely,

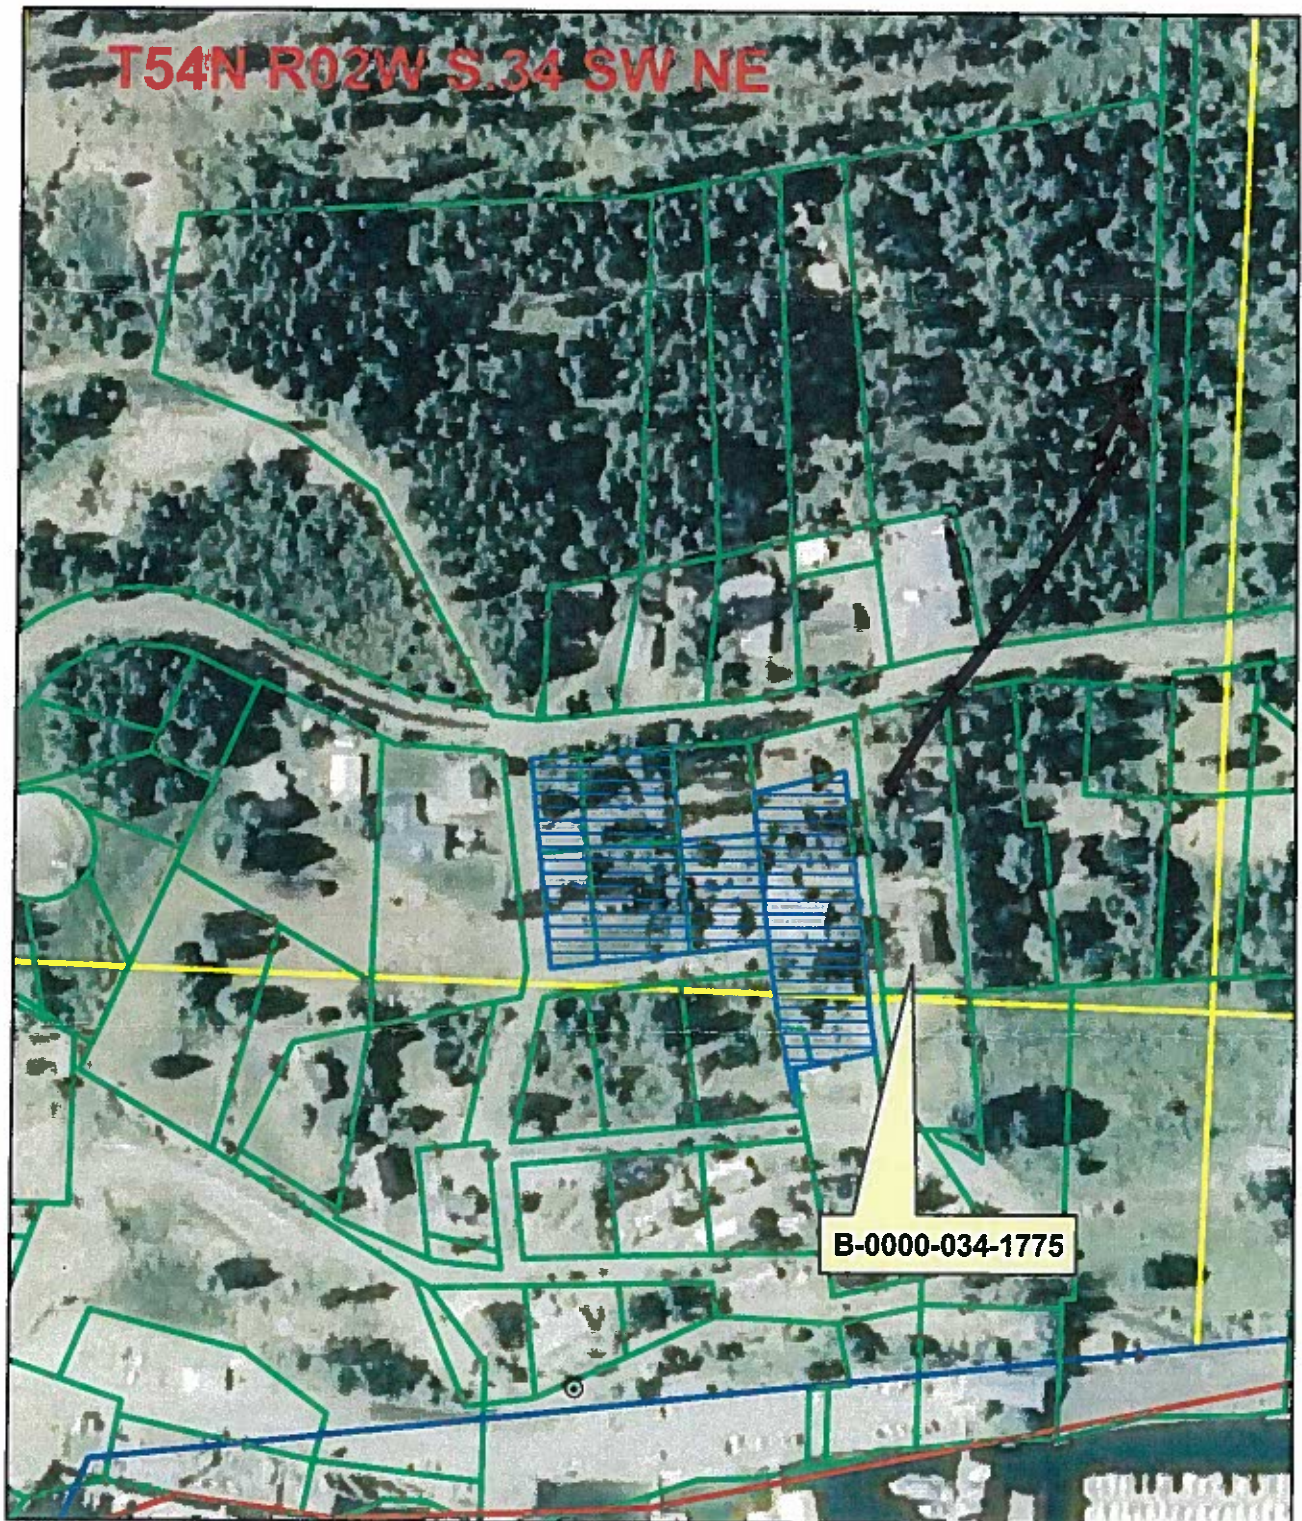

Terry & Diane Thoren
