Case No. 39576

Water Right Claim: 27-04001; 27-07013

**WITHDRAWAL OF OBJECTION
TO WATER RIGHT CLAIMS**

COMES NOW, the Shoshone-Bannock Tribes ("Tribes"), by and through their attorney Jeanette Wolfley, and withdraw their objections to water right claims 27- 04001 and 27-07013 .

On March 18, 2010, the Idaho Department of Water Resources ("IDWR") informed the Tribes that a deed with a land description of the water claimant's fee parcel was on the IDWR's public website. The deed shows the parcel is fee land located within the boundaries of the Fort Hall Reservation to which the Tribes had filed objections based on place of use. The Tribes questioned whether the proposed place of use for water was on Indian lands as reserved by the 1867 Executive Order reserving the Fort Hall Reservation. Following review of the deed, the Tribes have determined they do not dispute the Place of Use element of the water right as it appears on the IDWR's GIS POU Illustration, and as it is listed in the IDWR's Director's Report.

The place of use is not located on Indian owned lands. Therefore the Tribes respectfully withdraw their objection to place of use.

Dated this 24th day of March, 2010.

Respectfully submitted,

Jeanette Wolfley
