*RE: SRBA Subcase Nos. 63-2500, 63-2874, 63-7067 & 63-19456
(United Water Idaho, Inc.)*

Dear Special Master Booth:

An *Order Vacating Trial and Setting Briefing Schedule* was issued on March 22, 2010. Pursuant to that *Order*, *United Water Idaho, Inc.'s Memorandum in Support of Objections* was filed with the Court on March 23, 2010. The *Order* also provided for a deadline of April 23, 2010, for the Idaho Department of Water Resources ("Department") to submit a 706 Report to address any issues that it had with the *Memorandum*.

The Department has had an opportunity to review the *Memorandum*. The Department feels that the *Memorandum* accurately characterizes the Department's position in this matter. Accordingly, the Department will not be filing a 706 Report. This matter should be deemed fully submitted for consideration and issuance of Special Master's Reports and Recommendations.

If you should have any questions, please do not hesitate to contact me at 287-4811.

Sincerely,

A handwritten signature in blue ink, appearing to read "G. Baxter", is written over the word "Sincerely,".
