Case No. 39576) and 75-14633 (Sprink)
)
) ORDER GRANTING MOTION TO
) AMEND CLAIM and SPECIAL MASTER
) REPORT AND RECOMMENDATION

Findings of Fact

The Director of the Idaho Department of Water Resources filed his *Director's Report, Irrigation & Other Uses, Reporting Area 23, Basin 75* on January 11, 2007. The Director reported claim 75-14369 to Lowell Cerise, 56 Whiting Road, Salmon, Idaho, 83467, for .26 cfs from Sheep Creek to irrigate 6.8 acres in Lemhi County from April 1 to October 31 with a priority date of May 15, 1898, based on beneficial use. IDWR filed a *Notice of Completed Administrative Proceeding* on February 12, 2010, for a substitution of party splitting 75-14369 into 75-14632 (Cerise) and 75-14633 (Timothy and Natalie Sprink, 10619 Highway A, Altenburg, Missouri, 63732).

No one objected to IDWR's amended recommendation of claim 75-14632, but the Sprinks filed an *Objection* in subcase 75-14633 on March 8, 2010, objecting to point of diversion and a *Motion to File Amended Notice of Claim* to amend the legal description of the point of diversion. The same date, SRBA Presiding Judge Eric J. Wildman entered an *Order of Reference Appointing Special Master Terrence A. Dolan*.

On March 24, 2010, the Sprinks, with IDWR's concurrence, filed a *Standard Form 5* in subcase 75-14633 agreeing to the all elements, including an amended point of diversion.

Order

THEREFORE, IT IS ORDERED that the Sprinks, having shown good cause to amend their claim in subcase 75-14633, the *Motion* is **granted**.

Conclusions of Law

Mr. Cerise and the Sprinks are entitled to partial decrees adjudicating water rights as recommended by IDWR (75-14632) and as described in the SF-5 (75-14633) and the attached *Special Master Recommendations for Partial Decrees for Water Rights 75-14632 and 75-14633*.

Recommendation

THEREFORE, IT IS RECOMMENDED that claim 75-14369 be **disallowed** because of the split.

DATED March 29, 2010.
