RE: 95-774:

You filed a Notice of Claim on line. The claim was assigned an identification number of 95-11113. The claim was based on a decreed right 95-774. It has been our experience that keeping the original water right number creates less confusion in the future. We have changed the identification number for your right to 95-774.

If you have any question, please contact us.

Sincerely,
