RE: Basin 27 Uncontested Water Rights (See Exhibit A)

Dear Diana:

The water rights described on the attached Exhibit A were held back from moving forward to partial decree because of various errors contained within the Director's Reports. The Idaho Department of Water Resources ("Department") has now reviewed these water rights and identified the specific errors. As a result of the review, the Department has prepared Amended Director's Reports for each of the water rights. The Department suggests the Court set the standard objection and response periods for each of the attached Amended Director's Reports.

Copies of this correspondence are being provided to the claimants to alert them of the issue.

If you should have any questions or comments, please contact me at 287-4810.

Sincerely,

A handwritten signature in blue ink that reads "Andrea L. Courtney".

Andrea L. Courtney
Deputy Attorney General, IDWR
