OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 36A.

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

The amount of water diverted under this right shall be limited to the amount of water available under the priority of this right from Riley Creek at the original point of diversion in the NENWSE (Lot 7), Sec. 1 T. 8S R. 13E.

EXPLANATORY MATERIAL: BASIS OF CLAIM - Decreed

The approval of this transfer redefines all of the elements of this water right, and the new use of water authorized by this approval shall constitute the full extent of the right.
