RE: Subcase No. 75-14302 (Bourdon - Upper Wallace Cr)

Dear Special Master Dolan:

Pursuant to the court's order of April 5, 2010, the Department submitted draft partial decrees to the court for seven (7) Upper Wallace Creek water rights, including the above-reference subcase. On April 27, 2010 the court issued an *Order Granting Motion to Amend Claim 75-14302 and Special Master Report and Recommendation ("SMRR")*.

The Department has been informed, and would like to bring to the court's attention, that while changes to water right subcase no. 75-14302 were discussed in the *SMRR*, inadvertently a copy of the recommended partial decree for 75-14302 was not included in the *SMRR*.

Sincerely,

SUZY COOLEY-DENNEY, Paralegal
