RE: Water Right Claim Returned

Dear Mr. and Mrs. Murdock:

The Idaho Department of Water Resources (IDWR) is returning your check #2544 (\$310.00) and Notices of Claim to Water a Right because of insufficient information. All items on the claim form must be correctly completed and fees submitted before the IDWR can process the claim.

Please correct the items identified below and return the forms to the IDWR within 30 days of the date of this letter. Failure to return the corrected claims within the 30-day period may result in an assessment of an additional \$50.00 late-fee for each claim.

- A separate Notice of Claim must be completed for each different water right (priority date). The Irrigation Notice of Claim you previously submitted referred to three water rights on the same form.

I have enclosed some forms for you to complete for each water right. I have also enclosed copies of your three Water Right Licenses 35-2070, 35-7048, and 35-7109 for your information.

The filing fee for your Domestic/Stock Notice of Claim is \$25.00. The filing fee for each Irrigation Notice of Claim is \$50.00 plus \$1.00 per irrigated acre, but you only have to pay the acreage fee once. For example, if the same 40-acre tract is irrigated on two or more licenses, you only have to pay for the 40 acres on one of the Notices of Claim.

If you have any questions, please call Tony Olenichak, Water Rights Agent, at (208)-525-7161.

Sincerely,

Tony Olenichak
