RE: Water Right Claim Returned

Dear Mr. Dance:

The Idaho Department of Water Resources (IDWR) is returning your check #2879 (\$425.10) and Notices of Claim to a Water Right because of insufficient information and/or fees. All items on the claim forms must be correctly completed and fees submitted before the IDWR can process the claims.

Please correct the items identified below and return the forms to the IDWR within 30 days of the date of this letter. Failure to return the corrected claim within the 30-day period may result in an assessment of an additional \$50.00 late-fee for each claim.

- See correction sheet attached to individual Notice of Claim.

If you have any questions, please call Tony Olenichak, Water Rights Agent, at (208)-525-7161.

Sincerely,

Tony Olenichak

- The place of use listed in Item #10 are covered by Licenses 35-7664 and 35-7112. A separate Notice of Claim must be completed for each water right (license or priority date). Please refer to the enclosed license copies for the correct priority dates, amounts, acreages, etc.
- If you are claiming only a portion of the acreage listed on the license, you must also claim a portion of the licensed amount. For example, if you claim 50% of the licensed acreage, you should only claim 50% of the licensed amount.
- If you irrigate more acres than listed on the license, you must complete an additional Notice of Claim for the acreage and amount not covered by the license. The priority date for the additional claim would be the date the expanded acreage was first irrigated after issuance of the license.
- The consumptive use in Item #8 can be calculated by multiplying the acreage listed in Item #10 by 3. For example the consumptive use for 50 acres would be 150 acre feet per annum.
- The appropriate license number for each Notice of Claim should be listed in Item #15.
- I have enclosed some extra forms for you to complete if necessary. The filing fee for each Notice of Claim is \$50.00 plus \$1.00 per irrigated acre. However, if acreages overlap on two or more claims, the \$1.00 per acre must only be paid once for the overlapping acres.
