

Special Master Booth

This letter is asking the court to grant us a 30 day extension for discovery pertaining to case 63-5195. Diane and I are trying to defend ourselves in this long and complex case. I made the mistake of not realizing that we need to give Edwards LLC 30 days to respond. If you grant us this extension, we will get our discovery questions to Edwards LLC no later than June 4th. Also this would give us extra time to respond to discovery that has been sent to us. Thank you for your consideration regarding this motion.

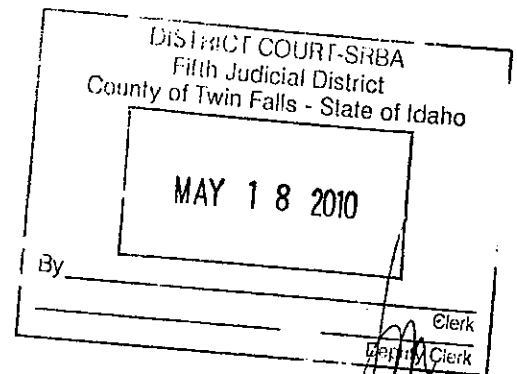

Sincerely,

David L. Niznik
