RE: Filing for exchange water on Carmen Creek (in addition to decreed 75-14343, 75-14345, 75-14347 and 75-14349)

Dear Water Users,

I have recently been reviewing claims for exchange water in the Carmen Creek drainage. An adjacent property owner, Kevin Keller, has filed a claim for what exchange water on the old Ora and William Igou property. You are currently the owners of record for pieces of the Igous' decreed water rights 75-79 and 75-80. However, you do not appear to have filed claims for exchange water, which would have priority dates of 1875 and 1882.

You may want to think about filing late claims for exchange water on the property you own. It will take further review to determine exactly how much, but it is possible this exchange water is appurtenant to your property.

If you wish to file for the exchange water, you can find claim forms and motions to file late claims on our website at <http://www.idwr.idaho.gov/RulesStatutesForms/AdjuForms/AdjuBureauForms.htm>. The forms you are looking for are under the heading "SRBA Claims." The forms are titled "Notice of Claim to a Water Right Acquired Under State Law" and "Motion to File a Late Notice of Claim."

I realize this is a lot of information to process at once, so please feel free to call me at (208) 287-4907 or email me at Monica.VanBussum@idwr.idaho.gov if you have any questions.

Sincerely,
