RE: Snake River Basin Adjudication (SRBA) Late Claim #63-33143

Dear Ms. Van Bussum:

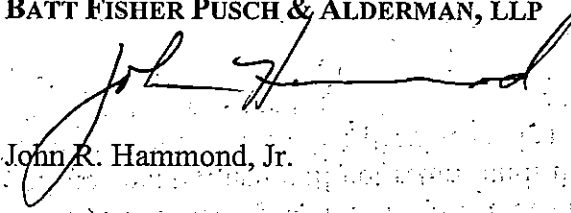

In regard to the above-referenced matter, I am writing to inform you that my client, Mr. Norman A. Batt, is currently out of the country, and will not return until the end of August. In your letter, dated May 10, 2010, you indicated that if evidence is not submitted prior to June 14, 2010, your agency would recommend that the SRBA Court disallow the claim.

In light of my client's absence at present, I respectfully request, on his behalf, that the deadline date for submission of evidence be extended to **Wednesday, September 15, 2010**. Please respond at your earliest convenience to confirm if this is acceptable.

Thank you for your assistance.

Sincerely,

BATT FISHER PUSCH & ALDERMAN, LLP
