67-10592

It looks like property in Basin 67 is now in someone else's name.

However, they had a claim in Basin 47 that was recently disallowed.

And, they also have tracks in the Water Bank.

Sally,
I am agent of the day today and Kelly forwarded this to me from her Friday backlog.
I think they mean SRBA and I hope that you can make this change for them.
Thank you very much.

Subject: Change of Address

Dear Idaho Department of Water Resources;

My "Friday Afternoon Test" failed to get hold of anyone at 3:00 p.m. in the Department!

This communication could suffice..., but I would like a response to know that "the job got done."

On the June 1st "SNBA" Case No. **39576** (Robin Wells and David Wells)
-Everything is fine, except for my contact information is no longer "Indian Valley"
-The contact address should read on all my documents changed to:

David & Georgia Wells
PO Box 417
Middleton, ID 83644
(208) 741-1441

If you could do this for me..., and then let me know: it would be much appreciated.

F. David Wells
