Dear Water Right Holder(s):

The department acknowledges receipt of correspondence releasing your security interest in the above referenced water right(s). The department has modified its records to reflect the release of the security interest.

Updating the release of a security interest record for a water right does not reconfirm the validity of the right. When processing a release of security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
