RE: NOTICE OF CLAIM NOS: A63-21563, A63-21568

Dear Mr. Adamson:

We are currently preparing the Notice of Claims referenced above for the Director's Report in the Snake River Basin Adjudication. Enclosed are computer printouts of the claims for your reference. Our research indicates there may have been a change in the ownership for the above claims. Idaho Department of Water Resources (IDWR) records currently show the following name and address as the owner of the claims listed above:

**EDYTHE BLELE
28552 MARKET RD
CALDWELL ID 83605**

The Idaho statutes require that (IDWR) be informed of a change in water right ownership within 120 days of the property transaction. If you purchased the property referenced in this letter, please fill out the change in ownership form and send it with the required documentation to my attention at 2735 Airport Way, Boise ID 83705. If no response is received from you, all further legal notices concerning the claims will be sent to the name and address of the original claimant shown above. Please call me at (208) 334-2190 if you have questions.

Sincerely,

Lori Graves
Sr. Water Resource Agent

RE: EVIDENCE OF PRIORITY

Snake River Basin Claim Nos: A63-21563, A63-21568

Dear Mrs. Blele:

In the past, you submitted the above referenced claims during the Snake River Basin Adjudication (SRBA) claims taking. Enclosed is a computer generated print-out of the claims for your reference only, it is not necessary to return this print-out. It appears that you no longer own the property, however, because the department has not received a change in ownership for the claims, you are still listed as the current owner of record, which is why you are receiving this notice.

You indicated, when this claims were filed, that the water right was based on either a "Statutory Claim" or "Beneficial Use" of the water. Water rights of this type are established by historical use of the water for a beneficial use purpose, dating back to the time the water was first used; this date being the "Priority Date" as shown on the enclosed print-out. Your claims have not been confirmed by a previous filing with the Department of Water Resources since there is no decree, license, or permit on file to verify the use of this water. For this reason, the Department is required to gather evidence from claimants supporting the date of priority for claims based on historical beneficial use of water.

Enclosed is a pamphlet entitled "Evidence of Priority" which describes why evidence of the priority date is necessary, along with examples of types of evidence that can be submitted to fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled **"What Kind of Evidence is Required"** and **"Some Examples of Documents Which May Be Evidence of the Priority Date."**

It is important that each element of the Notice of Claim be substantiated. For instance, regarding claims for irrigation, the evidence should tend to show that diversion works were in place, that they were capable of diverting the claimed diversion rate, and that the diverted water was beneficially used on the entire claimed place of use on or before the claimed priority date.

If no evidence is submitted, or we do not hear from you within the time limit below, your priority dates, as claimed, may not be recommended to the SRBA court for decree. This could jeopardize your water use under this right if water availability problems arise in the future.

In addition, since it is our goal to decree the historical water rights within the Snake River Basin as accurately as possible, an accurate location of your diversions and acres irrigated needs to be identified on the attached aerial photo. Please include as much detail as possible regarding your

Page 2

diversions from the spring and Sand Hollow Creek. If more information is needed, you will be receiving a call from us in order to set-up an appointment for a field exam.

The required evidence supporting the priority date requested and clearly marked aerial photo needs to be submitted by May 5, 2006. Please let me know if you may not be able to submit proof of priority or have any questions not covered by this letter and the enclosed pamphlet, by the date indicated above.

Respectfully,

A handwritten signature in black ink, appearing to read "Lori Graves". The signature is fluid and cursive, with the first name "Lori" and last name "Graves" clearly distinguishable.
