Ted,

The home is located in the NWNE, S7 per aerial photography. That would mean adding Domestic Within Canyon County and the legal description in place of Domestic same as Irrigation, or we could delete the Domestic same as Irrigation and I can put a comment in the database. That would be my preference in minimizing changes to the recommendation. OK?

Jan,

This right has a domestic POU of 223.8 acres. Is it possible to narrow that down a bit?
