Remarks:

Comments:

1. kwalker 8/28/2006 Domestic Place of Use

Comment: Domestic place of use found to be in NWSW rather than NESW as claimed. Review of 2004 imagery only shows 1 home on this place and it is located in NWSW. Have made this correction in recommendation.

2. kwalker 11/4/2006 NOE

Comment: Received NOE from claimant - wants location of points of diversion corrected. Have log in file for domestic well drilled in 1974, ok to update to different 40 acre tract. Irrigation well location updated per claimants note - within same 40 acre tract that was licensed. Changes made this day.

3. kwalker 11/6/2006 Land East of Burris Lateral

Comment: In review of the notice of error on this right, and in correcting points of diversion location I noticed that the land on east side of Burris Lateral were owned by another party. I contacted Mr. Frerichs and asked if he wanted that land included under his water right. He said not to include that land so will remove it from this recommendation.
