Dear Mr. Lehto:

We are returning your Notice of Claim. You list May 7, 2010 as the date of priority which appears to be incorrect. The date should be the date the water was first used. We reviewed the well drilling files and it appears the well was drilled in 1996. If that is the date the water was first used, then list that as the date of priority and return the claim with the required \$25 filing fee.

Sincerely,
