Dear Steve Barnhart:

The Idaho Department of Water Resources is currently reviewing the claim referenced above. The claim that you filed cannot be recommended as filed without further information. I will need some form of evidence of when the water was first put to use on your property. If no evidence is provided by you, your claim will be recommended as disallowed.

If you do not have any water use on your property you do not have to file a Notice of Claim and may withdraw the claim and request a refund of the filing fee.

Please reference Adjudication Claim No. 95-9983 with any reply.

If you have any questions, please call me at 208-762-2800.

Sincerely,

Chad H. Goodwin
Senior Water Resources Agent
