Subject: Claim 63-2929

Hi Julie,

I see Canyon County filed a SF4 supplement of which we received a copy yesterday. I also see on 10-23 the Court vacated the hearing for the SF4 and disposed the claim to IDWR for reporting with other Basin 63 claims we are scrambling to do a month out. Will you be sending IDWR the SF4 package filed 9-08? I am not seen the package yet.

Thanks,

Don Shaff
