RE: Subcase No. 01-212, 01-213 & 37-507 (North Side Canal Co.)

Dear Judge Wildman:

The Idaho Department of Water Resources ("Department") is currently working on an Amended Director's Report ("ADR") for water right no. 01-10488 belonging to North Side Canal Company. This ADR may have an impact on the total number of acres and the digital boundary concerning the above-referenced water rights. Accordingly, the Department requests that the North Side Canal Company water rights listed above be held back from partial decree until the ADR for 01-10488 is completed. Any delay should be relatively short. The ADR is due on August 31, 2010. If there are any objections to the Amended Director's Report, trial is set for October 14, 2010.

If you should have any questions or comments, please feel free to contact me at (208) 287-4809.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Bromley".

Chris Bromley
